Process steps for 'off-line' payments:

Notes: Depending on the set-up of the airline, these 5 components can each be managed by individual parties or by one or two (e.g., caterer and/or payment partner). Tablet capabilities can also be included in the (smart) device. Some airlines have opted for payments via in-seat equipment (IFE) or a mobile app on the passenger phone or tablet (BYOD). Onboard transactions qualify for Visa / Mastercard global airline acquiring, both for the airline and the caterer as merchant of record.
